II. WHEREAS, Investigator Mark Wiegert, has this day complained in writing to this Court of the County of Manitowoc, upon oath that on November 16, 2005, at 801 N. Point Park, West Palm Beach, Florida 33407, that there is now located within the records or data storage of Cingular, a communications common carriers as defined in Section 2510(10) of Title 18, United State Code, particular information, commonly referred to as voice mail, for the subscriber Teresa M. Certain things, to-wit:

Evidence of a crime or pertinent information, including but not limited to homicide and mutilation of a corpse; evidence of telephonic communication that may assist law enforcement in determining with whom Teresa Halbach last had contact after her disappearance on October 31, 2005.

NOW, THEREFORE, in the name of the State of Wisconsin, you are commanded forthwith to search or cause the release of the said records of Cingular for the information, data or recorded calls aforesaid, and return this Warrant within forty-eight hours, before the said Court.

FACTS: Your affiant is an investigator employed by the Calumet County Sheriff's Department and bases this complaint upon personal knowledge and information, as well as information provided to your complainant by the citizen witnesses, referred to below, as well as the Manitowoc County Sheriff's Department.

In the course of this investigation, the following facts and circumstances were revealed:

1. Your affiant is an investigator with the Calumet County Sheriff's Department. Your affiant has duties that include missing person investigations in and around Calumet County, Wisconsin. On November 5, 2005, the Calumet County Sheriff's Department was requested by the Manitowoc County Sheriff's Department to lead the investigation on behalf of the Manitowoc County Sheriff's Department under the doctrine of mutual aid.
2. Your affiant states that an investigation was conducted into the disappearance of Teresa Halbach, and a criminal complaint was subsequently filed in Manitowoc County Circuit Court on November 15, 2005, which is attached hereto and incorporated within this Affidavit.
3. Your affiant is conducting or assisting with a homicide investigation. In the course of that investigation, it became apparent that particular information found in cellular call records would be useful to investigators. The information useful to investigators was determined to be available from Cingular, a cellular service provider and communications common carrier as defined in Section 2510(10) of Title 18, United States Code;
4. Your affiant is informed that Investigator Wendy Baldwin of the Calumet County Sheriff's Department obtained information from Cingular cellular telephone company, M & I Bank, and Chase Bank Financial, and received information that there has been no activity on Teresa's cellular telephone, bank accounts, or credit card accounts since October 31, 2005.

5. Your affiant is informed that attempts were made to contact Teresa Halbach's cellular telephone, and the telephone rang but ultimately was answered by voice mail. Because the cellular telephone did ring three times, that electronic messages were captured and recorded, and your affiant believes that these records will assist law enforcement in the investigation of the homicide and mutilation of Teresa Halbach as well as locating witnesses with whom Teresa Halbach last had contact.

WHEREFORE, your affiant requests that a Search Warrant be issued to search said records, data storage or voice mail accounts for the information aforesaid and secure the voice mail account and messages from tampering.
